About us

Since 1997, Rajdhani Motors has been a trusted name in the automobile spare parts industry, providing a comprehensive range of solutions for all car models. Operating from a 10,000 sq. ft. facility and supported by a dedicated team of 15+ professionals, we proudly offer over 1 lakh products from 100+ leading brands and Our expertise includes OEM,OES, and High-quality Aftermarket parts, catering to the needs of both B2B and B2C customers. At Rajdhani Motors, we pride ourselves on our commitment to authenticity, reliability, and quality. With 100% transparent billing practices, we ensure that our customers receive genuine products at the best prices. Whether it's for old-generation vehicles or the latest car models, we are known for our unmatched product availability and competitive pricing.

Vision

To be the most trusted and accessible spare parts provider, ensuring every vehicle owner and business finds the right part effortlessly, backed by reliability, affordability, and excellence.

Mission

To empower vehicle owners and businesses with seamless access to genuine spare parts for all car models. Committed to reliability, affordability, and excellence, we strive to be the ultimate spare solution.
